New Fishing Dock at the Ferguson Lake Nature Reserve

Residents of Prince George are invited to attend the official opening to celebrate the new 50 foot fishing dock located at the Ferguson Lake Nature Reserve.

Saturday June 14th is BC's free fishing day so no fishing license is required, just bring your entire family along with their fishing rods to fish in the fully stocked lake that has over 1000 catchable fish that are ready to be caught.

The official opening begins at 11:00am with refreshments to follow. The Ferguson Lake Nature Reserve is located approximately 5 km off North Kelly Road on Ferguson Lake Road - just minutes from downtown.

For more information, please contact the Spruce City Wildlife Association at 563-5437 or contact the City of Prince George at 561-7641.
