CITY OF PRINCE GEORGE ANNOUNCEMENT

Mayor Dan Rogers and Chief Dominic Frederick of the Lheidli T'enneh will be making an announcement **at 1:30pm on Saturday December 6th at the Forest for the World parking lot, at Cranbrook Hill.**

This is in conjunction with the sale (by donation) of a few Charlie Brown Christmas trees from the park itself, which would otherwise have been chipped as part of ongoing fire hazard reduction operations.

PG Search and Rescue will be on hand doing tours of their truck and conducting an ice rescue demonstration for the public on Shane Lake.

Please attend this fun family event and enjoy Forests for the World for a day; activities will be taking place from 10am to 3pm.
