

Where do we go from here?

Open House & Survey

The information that will be gathered from tonight's Open House, along with the surveys available here and on the City of PG website, will be reviewed and utilized in a Concept and Development Plan for Duchess Community Park.

Information Sharing on the Website

The gathered information and summarized surveys will be posted on the Duchess Community Park Project webpage located on the City of Prince George website at www.city.pg.bc.ca. Any future updates on the park project will also be posted on the website.

Future Development

Once regulatory approvals have taken place and a Concept and Development Plan for Duchess Community Park is adopted, development of the site can occur following removal of the existing Duchess Park school facilities. Funding for development would need to be pursued through various sources such as City Capital Funding, grant programs and partnerships.

On behalf of the City of Prince George and School District No. 57, we thank you for your input and support of this community project and look forward to working with you to make this project a reality!
